“This is the story of **moca**”

At **Moca**, our philosophy is simplicity.

2

We want to surprise you with our new designs, which reflect a balance between man and his environment.
We use only the highest quality materials, with the goal of giving you furniture that you can enjoy for lifetime.
If you are completely satisfied with your furniture for years to come,
then we have succeeded in our mission.

CROSS 50

This side table comes in round or square, the base is painted white. The tabletop is available in red, blue and slate grey.

6

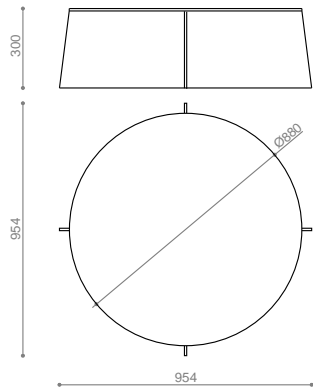

CROSS 88

This low table has the criss-crossed frame similar to the side table.
The tabletop is available in red, blue and slate grey.

10

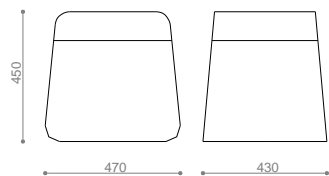

seal

This fun and functional ottoman is available topped with felt or faux leather.

The bottom comes in a variety of trendy colors.

This piece gets its strong contrast due to its white top and colorful base.

14

cubic

Thanks to its simplicity, this chair is a welcome addition to any room. It is available with or without armrests and comes in a variety of colors. This chair is available in a high quality fabric or leather .

18

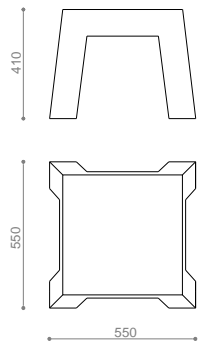

cubic stool

With the Cubic Stool you design your room any way you like. The Cubic Stool is not only a beautiful companion to the Cubic Chair, but a multifunctional piece of furniture that can be used on its own, fitting all interiors.

22

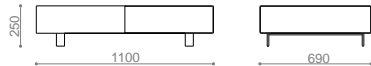

cover

This lower profile coffee table is made of stainless steel and is available in a variety of colors.

This table features a rugged design with a focus on practicality.

The thin steel and chromed legs give the table a strong, yet fluid look.
